DETAILED ACTION

Allowable Subject Matter

Claims 16-30 are allowed. The following is an examiner's statement of reasons for allowance:

As noted in the latest Amendment, the prior art did not teach or suggest the particular features of the claims. As noted at page 8 of the amendment, "the certificate including data identifying a Security Association which will be used for subsequent communication between the mobile host and a correspondent host" in such combination with the other features of the claims is not taught or suggested by the prior art.

As noted at the last paragraph of page 8, claims 17-28 depend from claim 16 and "independent claims 29 and 30 contain limitations analogous to claim 16." Thus, claims 29 and 30 are read to in light of this statement.

Because of the recitation of the limitation "mobile host" in each claim, the claims are of patentable subject matter. Concerns under 35 USC 101 do not exist.
